ELECTION/RESTRICTION RESPONSE

Sir:

This Election/Restriction Reply is submitted in response to the Restriction mailed August 23, 2005.

Given that the claims are closely related in terms of subject matter and are all classified in the same class, it is respectfully submitted that it should be possible to search the subject matter of the three claim groups at the same time. Since a single search is possible, it is respectfully submitted that the claims should be considered together and that the restriction requirement should be withdrawn.

In response to the restriction requirement, Applicant elects, with traverse, to prosecute the claims of **Group I** at this time, i.e., claims 1-14.

In view of the above remarks, Applicant requests that the Examiner review and withdraw the Restriction requirement.
